National Developer, Wates Residential is searching for services works suppliers operating in and around the Havering area that are interested in learning more about our business, the projects that we are delivering locally and how to tender for work.

If you are interested in finding out more, sign up to attend our free Meet the Buyer event on 28 February using the details below.

This event also offers the opportunity to meet with Wates Residential's procurement and operational teams to ask questions, tell us more about your organisation and the value you can bring.

The London Borough of Havering and Wates Residential are working in partnership to deliver around 3,000 homes for local people across 12 council estates in the borough over the next 12 years.

The regeneration scheme will commence in 2019 and will see the delivery of much-needed affordable new housing for residents, including increasing council rented accommodation by 70 per cent and delivering 400 low-cost home ownership properties.
